This is a multi-ethnic, multi-gender, multi-generational group with a passion for unity in Christianity. We will take special care to include Christian figures of diverse backgrounds to learn from. This fall we will be watching and discussing the RightNow Media study entitled, "Race and the Gospel." This study will challenge us to unpack the hard truths of America's racial past and present and suggest a pathway forward of healing, justice, and hope for multiethnic harmony in the church. If you are interested in learning more about this issue, want to examine how to bring unity in our communities, or have general questions about racial inequalities, we'd love to have you join our group this fall.
